Sir

I have the honour to inform you that Srinivasa Iyengar, Head Master of the Aided Hindu Girls' School at Mandya pleads inability to manage the school hereafter owing to illness and private inconvenience The school gets a grant-in-aid of Rs 10 per month from Government The Amildar who is the president of the aided Girls School Committee and the members of the Committee recommend that the school may be taken over by Government The Deputy Inspector of Schools, Mysore North considers that if the school is not converted into a Government school it will disappear as no one will agree to manage it with the help of the grant Under these circumstances

I beg to propose that the grant of Rs 10 per month now being given to the school may be stopped with effect from 1st December next and the school converted into a Government school with a master on Rs 10 per month If the proposal is sanctioned, the school will be held in a room in the Government Kannada School building as the parents of the girls have no objection to send their children there. Next year if necessary a menial servant and contingencies may be provided for in the budget
